EWELL GUN CLUB.

Holds First Regular Shoot of Season
At Spring Hill.

Spring Hill, Tenn., April 25.—The first regular shoot of the Ewell Gun Club was held Thursday afternoon, and the prospect for a successful season is very encouraging. The following officers were elected for the ensuing year: Bruce Campbell, President; Allen Campbell, Secretary and Treasurer; W. A. Long, Captain. The advisability of holding an all-day shoot July 4 was discussed, and, upon being carried to a vote, was unanimously agreed to. A large attendance from visiting clubs is expected, and ample provision is being made for accommodation.

Rheumatism Cured in a Day.

Military Company.

A movement is in progress to organize a military company in Columbia. Adjutant-General Hanna will come down from Nashville next Tuesday night and the organization will be effected at a meeting to be held in the court house.

8 Cents

Eight cents a pound is what a young woman paid for twelve pounds of flesh.

She was thin and weak and paid one dollar for a bottle of Scott's Emulsion, and by taking regular doses had gained twelve pounds in weight before the bottle was finished.

Eight cents a pound is cheap for such valuable material. Some pay more, some less, some get nothing for their money. You get your money's worth when you buy Scott's Emulsion.

We will send you a little free.

ANNIVERSARY OF
THE ODD FELLOWS.

Order Was Born In Baltimore,
Md., on April 26, 1819, in
an Old Hotel.—Now Has
Over a Million Members.

On the night of April 26, 1819, Thomas Widley, a sturdy young Englishman, assisted by four other young men, organized the first lodge of the Independent Order of Odd Fellows on the American continent, at Baltimore, Md., in an upper chamber of the old Seven Stars Tavern. As a mark of respect and admiration for the father of his country and of their loyalty to their adopted land, they named the first lodge Washington Lodge No. 1, which still exists. Since the date of its organization, the order has had a marvelous growth in this and many foreign lands. The latest statistics show that the Order has one Sovereign Grand Lodge with supreme jurisdiction all over the world and six quasi-independent Grand Lodges, as follows: Australasia, Denmark, Germany, Netherlands, Sweden and Switzerland, with 65 Grand Lodges, 55 Grand Encampments, 12,792 subordinate lodges, 2,780 subordinate encampments, 5756 Rebekah Lodges and 525 Cantons of Patriarch Minut, or the military branch of the order. The membership in these various branches of the order is as follows: Lodge members, 1,002,272; encampment members, 145,138; Rebekah Lodge members, 374,984 and Canton members, 16,504. The total revenue of the order for last year was \$10,782,562.23 and the total amount paid for relief was \$3,009,359.17. The order is thriving and growing as never before. During the last year, the net increase in lodge membership was 55,955, in encampment membership 8,977 and in Rebekah membership 23,220. The total number of persons belonging to the order, including lodges of Rebekah Lodges, is 1,200,931. The growth of the order the present year bids fair to exceed that of last year. For the year 1932, the Subordinate membership in Tennessee increased over 4,000 and the Rebekah Lodge membership, 600.

FOR JOHN S. WILLIAMS.

Columbia Alumni of University of Virginia Vote For Him For Commencement Oration.

The Maury County members of the Alumni of the University of Virginia, met Friday at the office of J. B. McLeamore, Esq. and voted for Hon. John Sharpe Williams, of Mississippi, to deliver the commencement oration at the University in June. The solid vote was also cast for Prof. John Bassett Moore, now Professor of International Law at Columbia University, to be President of the University of Virginia. The University has heretofore had no president, only a chairman of the faculty.

A Doctor's Bad Pledge.

"Two years ago, as a result of a severe cold, I lost my voice," writes Dr. M. L. Scarbrough, of Hebron, Ohio, "then began an obstinate cough. Every remedy known to me as a practicing physician for 35 years, failed, and I daily grew worse. Being urged to try Dr. King's New Discovery for Consumption, Coughs and Colds, I found quick relief, and for last ten days have felt better than for two years." Positively guaranteed for Throat and Lung troubles by W. P. Woldridge druggist, 50c and \$1.00. Trial bottle free.

SALOON MEN WIN.

Alleged Coercion of Jury by Judge Houston Voids the Indictment.

Franklin, Tenn., April 23.—At the morning session of the Circuit Court Judge Cartwright rendered his decision in the case of Womack Bros., indicted in four cases for selling liquor to minors, sustaining the pleas of abatement offered by the attorneys for the defense. He held that if the facts of the plea of abatement, alleging that Judge Houston coerced the former grand jury and that Attorney General Faulkner coerced witnesses were true, the pleas were good. It is generally understood that the case will be appealed by the temperance people.

SENATOR MORGAN
VERY OPTIMISTIC.

Says Democratic Party Is Coming Out
of the Woods, While the Repub-
licans Are Just Beginning to See
Trouble.

Mobile, Ala., April 25.—Senator John A. Morgan arrived here today. As to politics he says, in an interview in the Register:

"President Roosevelt has gone into his hole and pulled it after him, so to speak, and we don't any of us know what is to be the result. The political situation at large strikes me about this difference. The Democratic party has had its differences, its dissensions, its wrangles, until it is well satisfied to come together in a movement for success. The Republican party is now entering this rocky road that we have but abandoned, and it will likely get several knock-downs before it is through. It is beginning its internal dissensions; we are through with ours.

"We must agree on a settled line of policy. The principles of the last hundred years are such as receive the endorsement of the people of this country. If we stand by those principles, we will win.

"There are a lot more Democrats in this country than Republicans, because every Democrat has principle to account for his faith, while every Republican is simply an opportunist, who attempts to do what is best for the moment, without thought for the future. Many men are on lookout for opportunity to 'make hay while the sun shines,' but the people of sedate convictions and settled principles are with the Democratic party when it stands by its old and honored creeds."

Fine Farm Changes Hands.

Franklin, Tenn., April 23.—F. F. Clawson, of Ashwood, Maury County, probably one of the largest Irish potato raisers in the South, this week purchased the well-known Pointer place, two miles east of Thompson Station, from R. H. Kittrell, paying the handsome price of \$29,000 cash for it. The farm contains about 500 acres of splendid land and is considered one of the best equipped farms in the State. A bed of high grade hard rock phosphate exists on the place, but has never been worked. Mr. Clawson intends to open the mines at once with a large force of hands. The newest machinery will be used in operating the mine.

COLUMBIA PRESBYTERY.

Rev. J. D. Brawley Selected as Moderator.—Much Work Accomplished.

Special to the Herald.

Santa Fe, April 24.—The Columbia Presbytery, which is holding a three days' session here, is down to hard work. A great deal of routine business was transacted this morning and at 11 o'clock today the hour was given over to the Ladies' Missionary Society.

The new moderator was chosen yesterday, Rev. J. D. Brawley, of Elkton, being elected and preaching a strong sermon. Capt. Fussell is acting as clerk, in the absence of the venerable stated clerk, T. Jeff Dixon.

The next meeting place was selected, the Presbytery going to College Grove, in Williamson county, in September next, on Wednesday night before the fourth Sunday in the month.

Tonight J. L. Jenkins, from the Lebanon Seminary, will be ordained. Rev. F. J. Tyler will preach the ordination sermon.

The Presbytery hopes to conclude its business and reach final adjournment tonight.

"Dear Sirs:—During the past four years I have been confined to my bed from one to two months at a time with Rheumatism. I have tried the best physicians in this city and they did me no good. I heard of WA-HOO, and after taking six bottles I rejoice to say that I feel as well as I ever did. I cheerfully recommend WA-HOO to all who are afflicted as I have been. Very truly,
